IN THE UNITED STATES DISTRICT COURT

FOR THE DISTRICT OF DELAWARE

DNA GENOTEK INC., Plaintiff, v. SPECTRUM DNA; SPECTRUM SOLUTIONS L.L.C.; and SPECTRUM PACKAGING L.L.C., Defendants.	))))))))))	C.A. No. 15-661-SLR

PLAINTIFF DNA GENOTEK'S REQUEST FOR ORAL ARGUMENT ON SPECTRUM'S RENEWED MOTION TO DISMISS DNA GENOTEK'S FIRST AMENDED COMPLAINT FOR LACK OF PERSONAL JURISDICTION

On June 3, 2016, Defendants Spectrum DNA, Spectrum Solutions L.L.C., and Spectrum Packaging L.L.C. (together, "Spectrum"), filed a Renewed Motion to Dismiss DNA Genotek's First Amended Complaint for Lack of Personal Jurisdiction. (D.I. 87.) DNA Genotek filed an answering brief on June 29, 2016, (D.I. 98) and Spectrum filed a reply brief on July 22, 2016. (D.I. 106.)

DNA Genotek respectfully requests that the Court set oral argument on Spectrum's Motion. Oral argument would be beneficial to the Court given the number of disputed facts and inferences in the briefing. Oral argument is particularly appropriate in this instance due to the nature of Spectrum's reply brief, which attempts to introduce new facts and arguments through the declaration of Mr. Gregg Williams. Subsequent developments in the California litigation between DNA Genotek and Spectrum will also assist this Court in deciding Spectrum's Motion, such as Spectrum's conditional admission that it is in privity with Ancestry for purposes of *inter partes* review estoppel and the appearance of an Ancestry director as a witness for

Spectrum. In lieu of submitting a request for surreply and surreply papers, DNA Genotek believes that it would be more efficient for the Court and the parties to address these issues at a hearing.

Accordingly, DNA Genotek requests that the Court schedule oral argument on Spectrum's Motion for a date and time convenient to the Court.
